**Computer Science**

Bluefield State College invites applications for the position of assistant/associate professor in Computer Science, beginning January, 2010 or August 2010. Doctorate in Computer Science, Information Technology or closely related field and evidence of potential for excellence in teaching and research required; at least three years of teaching experience and/or applied research experience with business and industry preferred. Will serve as academic advisor to students, supervise laboratory experiences, teach undergraduate courses, serve on College and School committees, and work as a team member on program development. Salary and rank commensurate with qualifications and experience. Interested applicants should submit a letter of application, curriculum vita, college transcripts, contact information for three professional references, and Bluefield State College employment application to: Human Resources, Bluefield State College, 219 Rock Street, Bluefield, WV 24701 or by email to [humanresources@bluefieldstate.edu](mailto:humanresources@bluefieldstate.edu). Review of applications will begin September 23, 2009 and continue until the position is filled.

**READING/LITERACY FACULTY POSITION**

The School of Education at Bluefield State College seeks applicants for an assistant/associate tenure-track faculty position in reading/literacy instruction. The successful candidate will teach undergraduate courses in reading and literacy methods and theory, methods of diagnosis and instruction for remedial reading and writing, linguistically diverse learners, and the teaching of content-area reading/literacy, as well as courses that prepare teacher candidates for licensure, supervise candidates in schools and engage in scholarship and service to the College.

Minimum requirements include an earned doctorate in curriculum and instruction or education- related field with emphasis in literacy instruction; ABD with completion by fall 2010 may be considered. Teaching experience in K-12 schools is required and licensure is preferred. Experience working with diverse populations is highly desired as is experience with teacher education accreditation.

Interested candidates should send letters of application, transcripts, curriculum vitae with current contact information, three letters of reference, samples of scholarly work and a Bluefield State College application to: Human Resources , Bluefield State College, 219 Rock St. Bluefield, WV, 24701 or [humanresources@bluefieldstate.edu](mailto:humanresources@bluefieldstate.edu). The position is open until filled. Deadline for initial application pool is January 15, 2010.
